

# Financial Assistance Information Pack

Thank-you for your enquiry about assistance to meet the costs of a Pathways Foundation Program. The Pathways Foundation is a non-profit organisation with a policy to support financially disadvantaged families within our financial capacity. We aim to keep costs as low as possible.

## ***How much do our programs cost?***

- The cost of the Pathways to Manhood Program is **\$2,400** per father/son couple.
- The cost of the Pathways into Womanhood Program is **\$2,400** per mother/daughter couple and is inclusive of cabin style accommodation charge.
- The cost of the YoungStars program is **\$300** per father/son couple.
- The cost of the Mens Leadership Development program is **\$1,350** per participant.
- The cost of the Woman's Leadership Development program is **\$1,350** per participant.
- The Pathways to Manhood and Pathways into Womanhood programs require a deposit of \$600 with registration to secure a place on camp.
- The balance of the camp cost is due 8 weeks before the start of the camp.
- The deposit is non refundable, but transferable for 12 months if changed more than 8 weeks before the camp starts.

## ***Scholarship Options***

**Part** scholarship options are available for all programs, **with the exception of YoungStars**. You can apply for a scholarship to support your attendance.

Financial assistance in the form of a part scholarship may be granted on the understanding that the applicant has paid the \$600 deposit and that the scholarship amount cannot be confirmed until all applications have been received for each program. Every application for scholarship will be assessed individually, based on the needs of the applicant.

The Pathways Foundation, with the support of various Foundations and corporate donors, has established a **scholarship fund** to offer financial assistance for those who could otherwise not afford to attend the program. This includes single parent families, low-income families and those experiencing unemployment or other demonstrated financial hardship.

Each scholarship recipient will be required to provide a testimonial after the camp.

## ***How do I apply?***

Complete the attached Scholarship application form and Account Payment Options and return it to us with your completed camp registration form and your deposit of \$600. All applications will be assessed and finalised once all applications have been received and camp registrations have been closed off. You may be contacted to discuss your application and to finalise arrangements.
