

# WOMEN'S LEADERSHIP TRAINING REGISTRATION FORM

*Please note that this training is specifically designed so that even if you have nothing further to do with the Pathways Foundations and its Programs, you will still gain enormous value and insights from the experience that will be of great assistance personally and professionally.*

**THANK YOU** for your interest in becoming a Pathways into Womanhood Leader. Demand for Pathways Programs is growing rapidly and this is a great opportunity to join a high impact social venture. This training Program will be exciting and experiential and is designed to tap into your individuality and creativity.

You will gain two major outcomes as a result of attending this training:

1. You will have a significant personal experience that will allow you to look at the major priorities in your life and how you want to live and be in the future and this personal growth will create new possibilities for you as a leader personally and professionally.
2. You will be introduced to the Pathways Programs and potentially have an opportunity to continue on and become a paid Pathways Leader.

Please note that this training is specifically designed as a standalone process, if you do not proceed to further to participate on the Pathways Foundations Programs, you will still gain enormous value from the experience that will be of great assistance in many other areas of your life.

Becoming a Pathways Leader will enable you to provide a much needed service to your community. It is not a substitute for full time employment. Once you have completed your training the wage paid to you as a Camp Leader will support you to maintain your income whilst you're away from your other employment.

As we have limited places and need to assess all applications please ensure we receive your registration paperwork as soon as possible. Please read this document carefully and answer the questions in the registration form if you wish to proceed.

Pathways is unique in the way that we approach facilitating Rites of Passage for girls in Australia. The girl and her mother or mentor attend a Program where the girls are challenged physically, mentally and emotionally. The girls have the opportunity to hear women's stories and ask questions.

Here she can be acknowledged and heard, her intrinsic qualities seen and appreciated, and her future inspired by the stories of women. This time has the potential to nurture and strengthen the mother-daughter bond, and facilitate an appreciation of difference amongst her peers, as she enters a time of great change. Outcomes for women who attend have a significant personal growth experience as women and parents.

Importantly, the girls are outnumbered by women who are all working together for the benefit of the girls and are interested in their future. Results have been outstanding with excellent feedback from parents, teachers and the girls themselves as

well as showing improved performance at school, impacts of screen time, decreased usage of drugs and alcohol, better family relationships and higher self esteem.
